AND Many More .....

## Technical Specification

## UPS

MOSFET BASED	800 VA, 1000 VA, 1500 VA, 2000 VA 2500 VA, 3000 VA
IGBT Based	3000 VA to any watts
*AVR	YES 140 V to 240 V
Protection High Quality Voltage	YES
Out Put Wave Form	Pure Sine Wave
Frequency	50Hz, +/-0.5 Hz
Battery Level Charging	YES, Automatic
Digital Signal Processing Technology	YES
Technology	MOSFET / IGBT
Battery Water Topping	YES, 6 Month
Power Factor	at 0.8 Typical
Crest Factor	1:4
Efficiency	85% to 93% on Full Load
Recharge Time	6-7 Hrs. for 90% Recover
Models	800 VA, 1000 VA etc...

\*Automatic Voltage Regulation

# HIGH QUALITY INVERTER, UPS

Inverter, UPS Specially  
*made for Home & Office*

## **List/Our Sales & Service Only Valid In Trivandrum, kollam , Pathanamthitta, Alapuzha Districts**

The firm was established on 1993 on Kollam and Ernakulam districts. The firm was established with the aim of providing better and responsible service to the society. That is in kerala our services will be available at Trivandrum, Kollam, Anchal, Ayoor, Punalur, kottarakara, pathanapuram, Adoor, Pandalam, Konni, Pathanamthitta, kozhemcherry, chengannoore, Thiruvalla, Changacherry, Alappuzha, and Ernakulam we are of the aim that if any complaints about our product from these places should be solved with in 12 to 24 hours. Our UPS and Inverter's are of superior quality and we have no compromise on this subject. And we are of the aim that the interest of the public should be seen in a very respective manner.

### **Details \***

#### **600 VA Inverter ---Economy ----2 Year Warranty-----3 Models**

600 VA Inverter (SF Semi 80 Ah Tubular Battery) ----- Rs 13,500.00

600 VA Inverter (SF Semi 100 Ah Tubular Battery) ----- Rs 14,500.00

600 VA Inverter (Exide Semi 100 Ah Tubular Battery) -----Rs 15,500.00

Warranty 2 Year

Battery Semi Tubular (SF 80 Ah /SF 100 Ah/ Exide 100 Ah)---12 volt X 1

Backup Appx 2 Hours

Connected Load- 3 fan 4 Tube or 1 TV,1 Fan,2 Tube

Installation—Free ( worth Rs 1000.00 )\*

Battery Tray/Trolley Available On Extra Payment

#### **650 VA Inverter --High----2 year full + 5 Year service Warranty----2 models**

650VA Inverter (Battery Full Tubular 100 Ah JAS /Orion)- -- --Rs 19,500.00

650VA Inverter ( Battery Full Tubular 120 Ah JAS /Orion ) -----Rs 20,500.00

2 year full + 5 Year service Warranty

Installation—Free (worth Rs 1000.00)\*

Battery Tray free (worth Rs 350.00)

Battery Full Tubular 100 Ah/120 Ah ---12 volt X 1

Surge protector Free ( worth Rs 675.00 )

Backup 3 / 3.5 hours

Connected Load- 3 Fan 5 Tube

Battery water topping 8 months free on full warranty time

#### **800 VA Inverter ---Economy ----2 Year Warranty-----2 Models**

800VA Inverter ( Battery Semi Tubular SF) -----Rs 15,500.00

800VA Inverter ( Battery Semi Tubular Exide ) -----Rs 17,500.00

Warranty 2 year

Installation—Free (worth Rs 1000.00)\*

Battery Tray free (worth Rs 350.00)

Battery Semi Tubular---12 volt X 1

Connected Load - 3 Fan 5 Tube

Backup appx 2 Hours

#### **850 VA Inverter --High----2 year full + 5 Year service Warranty----2 models**

850 VA / 12 Volt- ( With 1 Battery ) 2 Models -- Rs 22,500.00 / Rs 24,500.00

850VA Inverter ( Battery Full Tubular 100 Ah—JAS/ Orion) -----Rs 22,500.00

850VA Inverter ( Battery Full Tubular 120 Ah—JAS/ Orion) -----Rs 24,500.00

2 year full + 5 Year service Warranty

Installation—Free (worth Rs 1000.00)\*

Battery Tray free (worth Rs 350.00)

Battery Full Tubular---12 volt X 1

Surge protector Free ( worth Rs 675.00 )

**backup 3 Hours / 4 Hours**  
**Connected Load- 4 fan 5 Tube**  
**Battery water topping 8 months free on full warranty time**

**1400 VA Inverter ---Economy ----2 Year Warranty-----3 Models**

1400 VA / 24 Volt (with 2 battery) 3 Models---Rs 29,500.00/ Rs 36,500.00 / Rs 39,500.00-

1400 VA Inverter (Battery Semi Tubular SF Sonic) -----Rs 29,500.00

1400 VA Inverter (Battery Semi Tubular --SF Sonic 100 Ah/ Exide 100 Ah) --Rs 36,500.00

1400 VA Inverter (Battery Full Tubular ----JAS 100 Ah X 2 or SUN/Orion) ----Rs 39,500.00

Warranty 2 Year

Installation—Free (worth Rs 1500.00)\*

Battery Tray free (worth Rs 700.00)

Battery Semi Tubular---24 Volt-- 12 X 2

backup 4 Hours

Connected Load - 5 fan , 1 TV 21 Inch or mixer Grinder, 5 Tube

Battery water topping 8 months free on full warranty time

**1500 VA / 24 Volt ( with 2 Battery )--- Rs 45,500.00-**

**1400 VA Inverter ( Battery Full Tubular JAS 120 Ah X 2 ) -----Rs 45,500.00**

**Installation—Free ( worth Rs 1500.00 )\***

**2 year full + 5 Year service Warranty**

**Battery Tray free (worth Rs 700.00)**

**Battery Full Tubular---12 Volt X 2**

**Surge protector Free ( worth Rs 675.00 )**

**backup 7 Hours**

**Connected Load - 5 fan , 1 TV 21 Inch or 1 Mixer Grinder , 5 Tube**

**Battery water topping 8 months free on full warranty time**
